I hereby certify that the foregoing is a correct list of Lands and Town Lots returned delinquent by Charles Green, Treasurer of Portage County, for taxes of the year 1853, to which taxes have been added a penalty of thirty per centum, together with the faxes of

Notice is hereby given that the whole of the several tracts of Land and Town Lots contained in said list, or so much thereof as will pay the taxes and penalty charged thereon, will be sold at the Court House, in the town of Ravenna, in said County of Portage, on the second Monday of January next, (it being the 8th day of said month.) by the Treasurer of Pertage County, unless the taxes and penalty, as charged in said List, are paid before that time. NO. 7, again before the public, a little later than usual, but all the better for the people; late purchases in the City, always give us the advantage of 10 per cent, over earlier purchases. As goods have lately gone down 25 per cent, in this town, fover the left,) we will endeavor to give our customers the advantage of our late purchasers, which will reduce our former large profits 35 per cent. This is a great falling off and the only way to make up the deficiency is to sell a big pile of Goods, so come on friends, we are ready for any thing and any prices.

are ready for any thing and any prices. OH! how are the mighty fallen, Oh! what a depression in the Tea market. 12½ in one short month is certainly knocking of large profits in a harry, and as merchasts generally are getting rich too fast, we will try and have the profits fixed at about living rates, our motto is (live and let live) good Tea, 50 cent Tea, (that was) we will sell for 33½ cents per lb.—Please mark that.

WE will sell better Calico for 64 cents, than was ever dreamt of in man's economy, and we can back up this assertion by producing the goods; and furthermore we will sell J. Briggs & Co's, Dunnells, Richmond and Carr's best Madder prints, for the Mark that too.

SILKS, SILKS-All we ask, is for the D people to come and see them, and the goods will sell themselves. It is only necessary to say here, that we will sell black Silks one yard wide for \$1,50, and one yard and a quarter, for \$1,75. Don't forget that as you pass along.

A S this is a progressive world, we will endeavor to keep up with the fast times, without any particular kind of aid, or stopping to get rested, and if cheap goods and small profits demonstrate this progressive age, we are not be numbered among those who fall short of the 25 cent reduction.

W E will give a few articles that can be found at all times at our Store.
